CRAFTER AND SPRINTER  
ESL EMULATOR

<https://goldcar.com.tr/crafter-sprinter-esl-emulator>

## \* What you can do with this device

This new generation of 2 in 1 ESL emulators by Goldcar Electronic Tech was developed to let you replace faulty or broken ESL (steering lock) in Mercedes-Benz and VW Crafter vehicle in order to drive it to workshop.

Simply unplug original ESL (steering lock) and plug our emulator in place.
